Focus and Scope

Journal of Medical Cases (JMC), bimonthly, ISSN 1923-4155 print, 1923-4163 online, is a peer-reviewed, open access, international journal, publishing original case report in all clinical medicine disciplines. The cases reported should have merits of contributing to the current knowledge of the relevant disease. Authors should submit via the online submission system, and are encouraged to consult the Instructions to Authors prior to submitting the manuscripts. Indexed and covered by: Directory of Open Access Journals (DOAJ); Open J-Gate; JournalSeek; Google Scholar.

General Requirements

All manuscripts should be submitted electronically via our website, submissions via regular mail are not acceptable at the moment. Manuscripts should be double-spaced (including references, tables, and figure legends). There is no word limit for manuscripts, and no limit for number of figures, tables, and references.

Before submitting online, authors are asked to have their manuscript saved in word file and each figure saved as a separate electronic file, preferably named as "figure 1.tif," "figure 2.jpg," etc.

Manuscripts are accepted for consideration with the understanding that they have been submitted solely to Journal of Medical Cases and that they have not been previously published, either in whole or in part. Journal of Medical Cases is a fully peer-reviewed journal. The editors reserve the right to make editorial changes in all matter published in the Journal.

A cover letter should always accompany the manuscript. It should include the name, mailing address, telephone and FAX numbers, and e-mail address of the corresponding author.

Types of Manuscripts

The manuscript should be written in English and the editors reserve the right to make appropriate corrections in grammar and style.

Journal articles references sample

Zargar SA, Javid G, Khan BA, Yattoo GN, Shah AH, Gulzar GM, Singh J, et al. Endoscopic ligation compared with sclerotherapy for bleeding esophageal varices in children with extrahepatic portal venous obstruction. *Hepatology* 2002;36(3):666-672.

Decisions

The single most important criterion for acceptance is the originality of the work. However, a decision to accept a manuscript is not based solely on the scientific validity of its content. Other factors may affect decisions, such factors are, the extent and importance of new information in the paper compared with that in other papers being considered, the Journal's need to represent a wide range of topics, and the overall suitability for Journal of Medical Cases. The initial editorial decision is usually sent to the author within 3 weeks after submission.
